Ms. Baugh,

I'd like to request that you forward me (via email) the proposed text ("the express terms") of the regulations and the initial statement of reasons for the proposed amendments to regulations implementing Title 14, Division 6, Chapter 3 of the California Code of Regulations, the Guidelines for Implementation of the California Environmental Quality Act (CEQA Guidelines).

1-2.1

If the files are to large even to be split, then a drop box would be sufficient. I'll be out of the country starting next week, so I'd appreciate receiving them by Thursday so I may review and comment before I leave. Thank you!
